Dear Supporters,

We've gained some wonderful new volunteers this year, including Hazel, a retired secretary who is now working as a very efficient receptionist for us.

This has enabled me to have a holiday in 2019 (my first for 7 years!)

I was away in November, so instead of the usual diary I will just give you a summary of the month's events.

19 cats and kittens were admitted in November and 22 were adopted. Surprisingly for this time of year we still have kittens in our Foster Homes, Tom and Jackie are caring for a black and white family of five they collected from Portishead. This is usually our quiet time of year but it isn't proving to be so!

I appreciate very much the flurry of Christmas cards and donations arriving by each post- thank you for thinking of The Moggerly at this season of giving.

The recycling of empty food pouches is providing a very welcome regular income for us and this is being organized by foster home Tom.

Wishing you all at this time of year a very joyous Christmas and a healthy, happy 2020.

Christine
